WORK EXPERIENCE

Customer Service Representative at Azimo, Cracow (May 2021 - Present) – Part Time

- This is a part-time job (weekends) which allows me to study programming full-time.
- Responsibilities include writing emails specific to customers about ongoing cases.
- Assisting in cancelling, modifying, troubleshooting, and creating international money transfers.

Google Ads Specialist at Majorel, Cracow (Nov 2019 – Apr 2021)

- Assisting customers by providing support and troubleshooting for the entire Google Ads ecosystem, including Google Analytics, Google Merchant Center and Google Tag Manager.

- **Co-developers Project:** idea born within the company that allowed programming enthusiasts (like me) to be involved in programming tasks like creating browser extensions for productivity related purposes, using mostly JavaScript.
